

RADON AWARE MONTH

WHEREAS,	The Village of Kaslo is located in Area 1 of the Province of BC; and
WHEREAS,	Area 1 of the Province of BC is considered to be at a greater risk for high levels of indoor radon gas; and
WHEREAS,	Indoor radon gas is known to be a serious public health risk causing as many as 16% of lung cancer deaths in Canada each year; and
WHEREAS,	Detecting levels of indoor radon gas is simple with a low cost and easy to administer test; and
WHEREAS,	If high levels of indoor radon are present in a home cost-effective solutions exist to reduce unsafe levels.

Now, therefore, I, **Suzan Hewat** Mayor of **the Village of Kaslo**, do hereby proclaim November 1st To November 30th as **RADON AWARE MONTH** in the **Village of Kaslo**
